# KOKO'S SUMMER CAMP 2015

FULL WEEK  
9AM-5PM

**\$199**

## JULY 6-10

9:00 am – 9:30 am Drop-off and Free Play

9:30 am – 12:30 pm  
**Messy Science!**

Do you like getting messy? You will get to do just that as we extract DNA from strawberries, explore different kinds of invisible ink, and make and test new kinds of slime. It's a splattering week of hands-on science fun!

12:30 pm – 1:30 pm Lunch and Structured Play  
Pick-up and Drop-off

1:30 pm – 4:30 pm  
**Lego Star Wars Animations!**

Create your own stop-motion animation for the world to see on YouTube! Use our Lego or bring your own, set up in front of our authentic-looking Star Wars backgrounds, and learn techniques in stop-motion animation to create your own Lego movie for the world to see!

4:30 pm – 5:00 pm Structured Play and Pick-up

## JULY 13-17

9:00 am – 9:30 am Drop-off and Free Play

9:30 am – 12:30 pm  
**Lights, Camera, Action!**

What does it take to make your own mini-movie? Find out as you try your hand at writing, acting, and directing! Hilarious acting improv games will get us warmed up, then we'll work together to bring our ideas to life, all working towards a mini-movie to show family and friends on YouTube!

12:30 pm – 1:30 pm Lunch and Structured Play  
Pick-up and Drop-off

1:30 pm – 4:30 pm  
**Time Travel Into the Past!**

Build your own time machine and travel to the past for all kinds of old-timey arts, crafts and activities! You'll learn dramatic pantomime and slapstick to star in a silent film, compose your own piece of classical music, and more! Then change the past by rewriting and performing a different ending to your favourite movie!

4:30 pm – 5:00 pm Structured Play and Pick-up

## JULY 20-24

9:00 am – 9:30 am Drop-off and Free Play

9:30 am – 12:30 pm  
**Lego Star Wars Animation!**

Create your own stop-motion animation for the world to see on YouTube! Use our Lego or bring your own, set up in front of our authentic-looking Star Wars backgrounds, and learn techniques in stop-motion animation to create your own Lego movie for the world to see!

12:30 pm – 1:30 pm Lunch and Structured Play  
Pick-up and Drop-off

1:30 pm – 4:30 pm  
**Forces of Science!**

Learn all about the forces of physics through hands-on experiments with tension and gravity, buoyancy, surface tension, electromagnetism and hydraulics as you build bridges, boats, magnet art, and simple hydraulic machines!

4:30 pm – 5:00 pm Structured Play and Pick-up

## JULY 27-31

9:00 am – 9:30 am Drop-off and Free Play

9:30 am – 12:30 pm  
**Time Travel Into the Future!**

Build your own time machine and travel to the future for all kinds of futuristic arts, crafts, and activities! You'll design your own piece of amazing future technology and build a prototype, invent your own alien language and more! Then act out a scene from your favourite movie and as if it were remade in the far future!

12:30 pm – 1:30 pm Lunch and Structured Play  
Pick-up and Drop-off

1:30 pm – 4:30 pm  
**Be a Rock Star!**

Be a rock star! You'll invent your own rock persona, then design and make your own musical instrument. You'll get to write and compose your song – no musical experience required – and then star in your own music video!

4:30 pm – 5:00 pm Structured Play and Pick-up

## AUGUST 4-7

Note: This is a four-day week

9:00 am – 9:30 am Drop-off and Free Play

9:30 am – 12:30 pm  
**Chemical Reactions!**

It's a week of fizzing, bubbling, and exploding as you explore the science of chemical reactions! You will be experimenting with acids and bases, making your own sour candy powder, invisible ink, and super-messy volcanos!

12:30 pm – 1:30 pm Lunch and Structured Play  
Pick-up and Drop-off

1:30 pm – 4:30 pm  
**Lego Star Wars Animations!**

Create your own stop-motion animation for the world to see on YouTube! Use our Lego or bring your own, set up in front of our authentic-looking Star Wars backgrounds, and learn techniques in stop-motion animation to create your own Lego movie for the world to see!

4:30 pm – 5:00 pm Structured Play and Pick-up

## AUGUST 10-14

9:00 am – 9:30 am Drop-off and Free Play

9:30 am – 12:30 pm  
**Be a Rock Star!**

Be a rock star! You'll invent your own rock persona, then design and make your own musical instrument. You'll get to write and compose your song – no musical experience required – and then star in your own music video!

12:30 pm – 1:30 pm Lunch and Structured Play  
Pick-up and Drop-off

1:30 pm – 4:30 pm  
**Make Your Own Commercial!**

You've watched a million TV commercials, but now is your chance to create your own! You'll invent your own imaginative services and products, as impractical and ridiculous as you want! Then after all of the designing, illustrating, and building, you can advertise it in your own funny TV commercial!

4:30 pm – 5:00 pm Structured Play and Pick-up

## AUGUST 17-21

9:00 am – 9:30 am Drop-off and Free Play

9:30 am – 12:30 pm  
**Rockets & Flight!**

Explore the science of flight! You will design and build your own hovercrafts, airplanes, and rockets from everyday materials. Then, after much testing and revising, we will enter our flying craft in friendly competitions and races!

12:30 pm – 1:30 pm Lunch and Structured Play  
Pick-up and Drop-off

1:30 pm – 4:30 pm  
**Lego Star Wars Animations!**

Create your own stop-motion animation for the world to see on YouTube! Use our Lego or bring your own, set up in front of our authentic-looking Star Wars backgrounds, and learn techniques in stop-motion animation to create your own Lego movie for the world to see!

4:30 pm – 5:00 pm Structured Play and Pick-up

## AUGUST 24-28

9:00 am – 9:30 am Drop-off and Free Play

9:30 am – 12:30 pm  
**Claymation Movies!**

Create your own stop-motion animation for the world to see on YouTube! You will design and sculpt your own clay characters, plan your animation shot-by-shot in a storyboard, then bring your characters to life in front of the camera!

12:30 pm – 1:30 pm Lunch and Structured Play  
Pick-up and Drop-off

1:30 pm – 4:30 pm  
**Messy Science!**

Do you like getting messy? You will get to do just that as we extract DNA from strawberries, explore different kinds of invisible ink, and make and test new kinds of slime. It's a splattering week of hands-on science fun!

4:30 pm – 5:00 pm Structured Play and Pick-up

## AUG 31-SEP 4

9:00 am – 9:30 am Drop-off and Free Play

9:30 am – 12:30 pm  
**Lego Star Wars Animations!**

Create your own stop-motion animation for the world to see on YouTube! Use our Lego or bring your own, and learn techniques in stop-motion animation to create your own Lego movie for the world to see!

12:30 pm – 1:30 pm Lunch and Structured Play  
Pick-up and Drop-off

1:30 pm – 4:30 pm  
**Lights, Camera, Action!**

What does it take to make your own mini-movie? Find out as you try your hand at writing, acting, and directing! Hilarious acting improv games will get us warmed up, then we'll work together to bring our ideas to life, all working towards a mini-movie to show family and friends on YouTube!

4:30 pm – 5:00 pm Structured Play and Pick-up
